Solar Panels in Houston

Solar panels are a hot topic in Houston. Here are some frequently asked questions: Why are they so expensive, and how many do I need to take my house off the grid? Are there any rebates and tax incentives? What type of new technologies are in the pipeline? Do I need a permit?

Guest speakers will discuss their approaches to:

- What is going on in Texas about solar power?
Solar photovoltaic panel design and installation.
- Solar water heating design and installation.

Guest Speakers.....

Luke Metzger Director
Environment Texas

John Miggins Solar Panel System Sales
Standard Renewable Energy

Ralph Parrot Founder
